So Much to Do, So Little Time!

Cut down your research time; here are a few Wedding Registry Tips...

- * Most up-scale stores will have a registry check-list available to you to take the hassle out of making one yourself.
- * A traditional 5-piece place setting includes a dinner plate, salad plate, bread & butter plate, cup, & saucer.
- * Feel free to mix & match patterns to accommodate any mood or occasion.

- * Register for the same number of 5-piece place settings of flatware as your dinnerware, and the same applies for your napkins and water, champagne, or wine glasses.
- * 12 full place settings, plus a few extra to allow for breakage, is recommended.
- * Register for extra salad /dessert plates so as not to have to wash your dishes before serving dessert!
- * Register for items in a wide range of prices.
- * Do not hesitate to register for anything you may need (bed, bath, home accessories), not just crystal and china!
- * Enjoy yourself!
